16<sup>th</sup> May 2020

Online workshop on Advance Algorithms of Video Processing using the Texture and Higher Order Derivative in Embedded Hardware Board for real time applications.

The session was organized by IEEE Student Branch S J C Institute of Technology in collaboration with IEEE Bangalore Section.

Prof. Dr. Jharna Majumdar was the speaker of the session. He addressed the audience and gave a brief introduction on the Advance Algorithms of Video Processing using the Texture and Higher Order Derivative in Embedded Hardware Board for real time applications.

The event organizers include Dr. K M Ravikumar and Dr. B N Shobha and the same was co-ordinated by Mr. Ravi Kiran R.

We have also conducted a survey regarding the workshop which was registered by 96 participants registered and shared their valuable views.
